Dear Jane,

I heard you're going to San Francisco next month. You know, I was there last year and it was fantastic. Here are three restaurants you must go to.

First, there's a wonderful Korean restaurant, Sejong, on Califo Street. They have great Bibipbap and Bulgogi. The Serio is a terrific Mexican restaurant near the station. Try the grilled shrimp with mexican spices. It's delicious. There's a very good Chinese restaurant on Chi Street in Chinatown. It's called the Great Emperor. The food is excellent and it's really inexpensive. Try pepper steak. Have fun.

Love, Jisu

Water is necessary to life on earth. We need water to grow food, keep clean, get power, and control fire. We also need it to stay alive. However, people are using up the earth's fresh water faster than ever before. It's time to save water. When you use water wisely, you help the environment. You save water for fish and animals. You help save drinking water supplies. So how can we save water? It is not difficult to save water wisely.
